The distribution of this financial services guide (**FSG**) is authorised by the Licensee.

Purpose of this document

The purpose of this FSG is to assist you in deciding whether to use our services by giving you information about the type of services we provide, how we are remunerated and your rights when you have a complaint about the services we provide to you.

We recommend that you read and understand this FSG before you engage us to provide you with any financial services. If you have any questions, please get in touch with us.

Not Independent

Because we:

- receive commissions on the sale of life risk insurance products that are not rebated in full to clients; and
- recommend in house products

we are not able to refer to ourselves or our advice as ‘independent’, ‘impartial’ or ‘unbiased’.

Who do we act for?

We act for you when giving advice and arranging financial products.

Westwood is a corporate authorised Representative of the Licensee.

As authorised representatives, we provide financial services on behalf of the Licensee. In providing those financial services, the Licensee acts on its own behalf. The Licensee is responsible for the financial services provided by its authorised representatives, including us.

Financial services we are authorised to provide

We are authorised to provide personal advice and dealing services to both retail and wholesale clients for the following financial products:

- deposit and payment products (basic and non-basic deposit products);
- derivatives
- debentures, stocks or bonds issued or proposed to be issued by a government;
- life risk and investment life insurance;
- interests in managed investments schemes including investor directed portfolio services and MDA services;
- retirement savings accounts products;
- securities;
- standard margin lending facility; and

- superannuation.

Documents you may receive from us

When we provide you with financial planning services you may receive:

- a Statement of Advice (**SoA**) or Record of Advice (**RoA**). These documents set out the advice we provide to you. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;
- a Product Disclosure Statement (**PDS**) which provides details about the significant risks and benefits, costs, charges and other significant characteristics or features of the products we have recommended.

If you enter into an annual service agreement with us, we will ask you to renew the agreement and consent to the deduction of advice fees from your account each year.

MDA service

We also offer a Managed Discretionary Account (MDA) service through the Licensee. Our MDA service allows us to manage your portfolio on a discretionary basis in line with an agreed investment program, without seeking your prior approval for every transaction or portfolio change. If we recommend our MDA service to you, we will provide you with an SoA containing an MDA contract and an investment program that is tailored to your individual circumstances and objectives.

How can you provide us with instructions?

You can give us instructions by phone, email or any other means that we agree with you from time to time. Please refer to our annual engagement letter for more information on this.

Fees

All fees are paid to either the Licensee or Westwood.

Personal advice	You will be charged a fee for any personal advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. These fees will be agreed with you beforehand as part of an engagement letter and will be disclosed in a SoA or RoA which will be provided to you.
Annual service fees	Our annual service fees depend on the type and scope of service that we provide to you. Our annual service fees may be charged as a percentage based on the value of your portfolio and are paid monthly. Alternatively, we may charge a flat fee. The annual service fee will be agreed with you in our annual service agreement.
Insurance commissions	We no longer make recommendations regarding new insurance policies and so do not receive any new insurance commissions. However, we do continue to receive trail commissions of up to 20% (excl GST) of the annual premium amount for insurance products recommended prior to July 2020.

Who we pay?

Advisers	Our advisers are paid a base salary and do not receive commissions from product issuers. Advisers may also receive bonuses based on revenue generated or a balanced scorecard approach that does not influence the advice provided to clients.
-----------------	--

Other Benefits

We may also receive additional benefits by way of sponsorship of education seminars, conferences or training days. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Associations

We are required to disclose any associations or relationships between us, our related entities and product issuers that could reasonably be capable of influencing the financial services we provide to you.

As outlined above, we may recommend our MDA service operated by the Licensee, which is known as an "in-house product". We will only recommend our MDA service where we consider it to be in your best interests after first reviewing alternative products that may meet your needs and objectives.
